Letter No. C. per. A. 24—51-52, dated 13th September 1951 from the Revenue Commissioner in Mysore, forwarding the Budget estimates under the Irrigation Cess Fund for the year 1951-52.

2. U.O. Note No. 510, dated 12th December 1951 from the Chief Engineer on the subject.

3. U.O. Note W.M.—9 C. 320, dated 10th January 1952 from the Accountant-General, furnishing his views in the matter.

ORDER THEREON NO. P.W. 9566-79, DATED BANGALORE, THE 26TH FEBRUARY 1952.

The opening balance of the Irrigation Cess Fund is a *minus* one to the extent of Rs. 3,07,137 as against + Rs. 6,190 anticipated in the Budget for 1950-51. This large *minus* balance is due to heavy expenditure incurred in carrying out urgent and necessary repairs to irrigation works to keep them functioning.

2. A sum of Rs. 3·00 lakhs is provided in the Budget for 1951-52, under "18 A Irrigation works, 2 Miscellaneous Expenditure—Grant-in-aid" to the Irrigation Cess Fund. Including this sum of Rs. 3·00 lakhs the receipts during the year are expected to come to Rs. 4,18,626 after wiping out the *minus* opening balance of Rs. 3,07,137. The anticipated opening balance on 1st April 1951 and the receipts during 1951-52, together with those of the previous year are shown in columns 13, 17, 3 and 5 of the Annexure respectively. The figures in column 17 include a contribution of Rs. 1,01,667 from State Funds for the maintenance of river-fed channels, which sum will be allotted from the provision in the Budget for 1951-52 under "18 A Irrigation Works (*c*) Maintenance and Repairs."

3. The Revenue Commissioner has proposed a programme of works for a total expenditure of Rs. 3,54,518. These grants have been allowed with slight modifications in respect of two districts—Tumkur and Hassan. As most of the works of repairs to the tanks and channels are to be taken up out of funds from Grow More Food, the grants have been allotted under the Irrigation Cess Fund consistent with the amount available.

4. The Budget Estimates for 1951-52, as now sanctioned, are shown in column 25 of the Annexure.

5. The closing balance at the end of 1951-52, is Rs. 1,86,685 and the details of receipts and expenditure are shown in the Annexure.

6. The Chief Engineer is requested to expedite the submission of proposals of the Committee constituted in G.O. No. P.W. 8571-4—Irn. 12-45-30, dated 11th March 1948.
